

Little Ted Challenge

Little Ted 

Student Worksheet
WS_009

"I need to wear UV protective gloves when I am in areas where natural and artificial sources of UV are present. Your challenge is to carry out the following activities while wearing gloves and to describe your experience. Record how easy or difficult you found completing the tasks and how it made you feel doing them.

Why not try adding two of your own activities?"

Little Ted

Activity	Description of completing the task	How I felt?
Eat a snack		
Play in the sand		
Catch and throw a ball		
Fasten my shoes		
Play a dice game
